

The same but different **Why Us?**

St Joseph's After School Care offer school holiday care for the children of St Joseph's School. We offer a relaxed homely atmosphere for the children to feel at home, comfortable and safe with familiar staff and children to relax and play with. We do go out on a few trips but we always try to keep the cost down for our parents. We also maintain the holidays should also be a time for relaxing and playing rather than going out all day every day.

How do I sign my child up?

Please fill in the attached booking form stating the days your child will be attending the holiday programme and also fill out an enrolment form (available from After School Care or the school office). Return these completed forms to the office or ASC.
